## WINTER SPORTS CARNIVALS

**Tuesday 21st AUGUST 2012**

The SPSSA winter sports carnivals will be held on Tuesday 21st August 2012.

The SPSSA will be offering netball, hockey and football which require selections and 13 school based team sports.

### **School based team sports**

This year again we will be giving all Grade 5 and 6 students the opportunity to be involved.

Your school can nominate teams for the following school team based sports:

Futsal

Table tennis

Badminton

Croquet (modified)

Volleyball (modified)

Touch Football

Rugby (modified)

5 a Side Soccer

Indoor Bowls

Squash (modified)

Basketball

Golf

Tennis

Your hardworking SPSSA committee are hoping that your school will give full support to this carnival by entering, if not all your Grade 5 and 6 students, then all grade 6

students for this year. Details for each sport are in this attachment, including nomination forms, organiser contact details and if the sport is offering introductory school sessions.

Please note:

- Last year some schools were disappointed to find that entries for their chosen sports had closed and they had missed out so please be aware that all sports do have limits so to avoid disappointment get your entry in early **well before the closing date**.
- The other issue concerned nominations where some schools found that their nomination appeared not to have been received by the sports organiser. All organisers receiving nominations will be asked to send an immediate “nomination received “ response to your entry so please follow up if you do not get a reply.
- Most sports will have a limit on the number of team entries from each school and certainly will be included on a first in basis regardless of closing dates for entries.
- All teams will need an adult supervisor who is responsible for the organisation and behaviour of the team on the day
- SPSSA has provided a liaison person at each venue to help with the smooth running of the day.
- Some of these games are modified and many offer free introductory sessions to your school prior to the carnival day.
- Please let the sport coordinator know if your team will arrive late/depart early, with your entry form.

The SPSSA would like to thank all sports organisations who have offered their support in running these carnivals.

## **Football, Hockey and Netball Details**

Overall organisers, coaches, venues and regional groupings for hockey, netball and football are listed in the following pages.

Coaches for each region are responsible for providing your school with information about nominations and selection trials. **Please pass this information on to the hockey, football and netball coordinator in your school as soon as possible.** We do not want any child to miss out on the opportunity to be selected so please ensure all winter carnival information is passed on to the appropriate person in your school if it is sent to you. The selections for netball, hockey and football, where possible, will be held during the week starting 23<sup>rd</sup> July. I will also send a final reminder to schools with the selection dates prior to the selection week. If you have not heard from your regional coaches by the week **prior** to the selection week, contact your regional coach immediately. All coaches and contacts are named in the following pages. Schools must make their selections from Grade 5 and 6 students and where necessary preference should be given to Grade 6 students.

If you have any queries at any stage please contact me, the overall organiser for your sport, or, where applicable, the coach of your region.

Check your Winter Carnival Guidelines (in SPSSA Handbook) for details on nominations and selections for regional teams.

This means that teams will no longer be based on regions but will be selected to provide the most even competition possible.

Players will be allocated to teams based on school, position played and hockey experience.

All information, including the nomination form, will be sent to schools by Jenny Young the overall organiser. Nominations, once completed, will need to be emailed back to Jenny, not the team coaches, by Friday 27<sup>th</sup> July 2012
